

# VOLUNTEER WITH MRT!

## HERE'S HOW YOU CAN HELP!

### FRIENDS OF MRT

You belong here! Meet the cast and creative artists. Make our events extra special. Get a sneak peek at rehearsals. Raise the funds that keep us going. The Friends of MRT is a group of volunteers passionate about Merrimack Repertory Theatre. This dedicated group helps with artist hospitality, our annual gala and auction, special events throughout the year, mailings and administrative support, and our epic annual Holiday Raffle.

We meet monthly and new opportunities to help are always being shared, and you'll receive exclusive discounts and complimentary tickets. For more information please contact us at [devomail@mrt.org](mailto:devomail@mrt.org).

### USHER

Ushering offers you the opportunity to help support professional theatre in your community and earn great theatre-going benefits as well. Our ushers help create a welcoming environment for our patrons by greeting audience members, scanning tickets, passing out playbills, and serving concessions. For more information please contact [John Dyson](mailto:john.dyson@mrt.org) at [john.dyson@mrt.org](mailto:john.dyson@mrt.org).

### COHORT CLUB

Every year we look for enthusiastic, active members of the community to join our Cohort Club, a group of MRT VIPs who get exclusive behind-the-scenes access to rehearsals and performances. Each season members of the Cohort Club have the unique opportunity to become a part of the creation of professional theatre right here in Lowell, during one show of their choosing. They are a part of the team through observations of the rehearsal and production process, and conversations with the artistic team. Write a message to our [Artistic Director Sean Daniels](mailto:sean.daniels@mrt.org) at [sean.daniels@mrt.org](mailto:sean.daniels@mrt.org) and let him know why you'd be a good fit.
